THE 4-WAY TEST

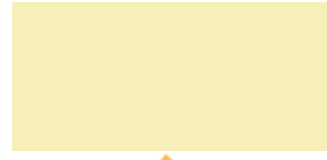

From the earliest days of the organization, Rotarians were concerned with promoting high ethical standards in their professional lives. One of the world's most widely printed and quoted statements of business ethics is The 4-Way Test, which was created in 1932 by Rotarian Herbert J. Taylor. Adopted by Rotary in 1943, The 4-Way Test asks:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Club Visit to the Communities in Schools in Hampton September 16, 2009

Club member Katie Felder, Executive Director of the Communities in Schools in Hampton, hosted an on site meeting and tour of the facility and

gave an overview of the goals and accomplishments of the program. Communities in Schools is a unique non-traditional learning environment for high school students that have not been successful in traditional schools for various reasons other than ability. The mission of the CIS is to champion the connection of needed community resources with schools to help young people successfully learn, stay in school and prepare for life. The setting

allows for personal and small group instruction. Students benefit from mentorships and preparation for post-secondary education.

THE BRAZILIANS ARE COMING!

The Group Study Exchange team from Brazil will be visiting our club on October 14. The GSE program brings young non-Rotarian professionals from around the world to the USA to learn about our culture and how their line of work is done here. Led by a Rotarian, the GSE team will spend a month in the District. They arrive in Richmond on September 25 and will be hosted by a number of Rotary Clubs. Coordinating our effort with the Peninsula clubs is Ray Spencer. Jim and Suki Pierce and

Cap and Linda Neilson will host members of the team while they are on the Peninsula. The team members are:

- Team Leader - Claudio Oliveira De Paula - Mechanical Engineer
- Fernando Benedito de Souza Raimundo – Mechanical Engineer
- Joanize A. Santos – English teacher and translator
- Elaine Stevanto – Teaches and researches exercise physiology and sports nutrition.
- Renata Carvalho dos Santos Ferreira – Language teacher

PLEASE MARK YOUR CALENDAR AND HELP US WELCOME THE BRAZILIANS TO OUR CLUB ON OCTOBER 14.

A Message From Rotary International President

My fellow Rotarians:
There are many service organizations in the world today, but none so old or so successful as Rotary. There are many reasons for that, and Vocational Service is one of them. This year, I wish you to place a special emphasis on Vocational Service, which is sometimes the forgotten Avenue of Service in Rotary. High ethical standards in business and personal life are still as important today as they were in 1905. Indeed, many of the problems our world is facing today have been caused by the failure to observe such standards in business affairs. Vocational Service, in Rotary, means that we are

committed to honest business and unassailable ethics, and that we are equally committed to using our vocational skills and advantages to help others. The idea is simple enough – but it is unique to Rotary. Many service organizations are open to anyone who wishes to join. That has never been the case in Rotary. Rotarians only seek out as members those who are qualified – those who have the character, the ability, and the resolve to make a real contribution to their club. I have long believed that the bedrock of Rotary is our commitment to ethical behavior. It has been putting what's right above what's convenient – and Service Above Self – that has made Rotary different from the rest. That is why we must always remember that whatever we do, we are each the public face of Rotary. We are each the standard-bearers of our organization. What one member does, for good or for ill, reflects on all of us. So much of what we've achieved as an organization has come about because of the trust the world has in Rotary and in Rotarians. That trust has been a major part of our success in polio eradication – the fact that we are known in every community, and known to be people of goodwill and good hearts. If we wish to see our organization grow and prosper, we must keep Vocational Service front and center in our minds and actions. We must seek out skilled and determined men and women of character. We must do what is right, even when it is inconvenient. And we must always, always, put Service Above Self.
John Kenny
President, Rotary International
