November is Rotary Foundation Month

In 1917, RI President Arch C. Klumph proposed that an endowment be set up “for the purpose of doing good in the world.” In 1928, when the endowment fund had grown to more than US \$5,000, it was renamed The Rotary Foundation, and it became a distinct entity within Rotary International.

Five Trustees, including Klumph, were appointed to “hold, invest, manage, and administer all of its property . . . as a single trust, for the furtherance of the purposes of RI.” Two years later, the Foundation made its first grant of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. “Daddy” Allen, later grew into the Easter Seals.

The Great Depression and World War II both impeded the Foundation’s growth, but the need for lasting world peace generated great postwar interest in its development. After Rotary’s founder, Paul P. Harris, died in 1947, contributions began pouring into Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

That year, the first Foundation program – the forerunner of Rotary Foundation Ambassadorial Scholarships – was established. In 1965-66, three new programs were launched: Group Study Exchange, Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called Matching Grants.

The Health, Hunger and Humanity (3-H) Grants program was launched in 1978, and Rotary Volunteers was created as a part of that program in 1980. PolioPlus was announced in 1984-85, and the next year brought Rotary Grants for University Teachers. The first peace forums were held in 1987-88, leading to the Foundation’s peace and conflict studies programs.

Throughout this time, support of the Foundation grew tremendously. Since the first donation of \$26.50 in 1917, it has received contributions totaling more than \$1 billion. More than \$70 million was donated in 2003-04 alone. To date, more than one million individuals have been recognized as Paul Harris Fellows – people who have

given \$1,000 to the Annual Programs Fund or have had that amount contributed in their name.

Such strong support, along with Rotarian involvement worldwide, ensures a secure future for The Rotary Foundation as it continues its vital work for international understanding and world peace.

Thanks to all the members of our club, we continue to exceed our District Giving goals and are on our way to becoming a Triple Crown Club!

THE 4-WAY TEST

From the earliest days of the organization, Rotarians were concerned with promoting high ethical standards in their professional lives. One of the world’s most widely printed and quoted statements of business ethics is The 4-Way Test, which was created in 1932 by Rotarian Herbert J. Taylor. Adopted by Rotary in 1943, The 4-Way Test asks:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
